BONKERS is an insight into her comedy roots--how she came to meet Dawn French and Ade Edmondson, when she started performing comedy, where, and with whom? Plus interesting and thoughtful insights about her personal life. This is an uplifting, funny book. How could it not be? I love people who are not afraid to laugh at themselves.

~~My Life in Laughs~~

For the most part I found 'Bonkers - My Life in Laughs' entertaining and educational. But in some parts, and more frequently towards the end, a little waffly. I especially loved the chapters over Jennifer dealing with cancer. How she got through it, what happened, and how it affected her life a short time after. It was personal for me.
