During her lifetime, whatever happened to Princess Diana was big news. She helped things along, by constantly making news herself, her troubled relationship with Charles and the royal family, and her numerous love affairs. She helped Andrew Morton write this controversial book, about her troubles, and it created quite a stir when it came out, while she was still part of the royal family. Sensational, and interesting.

troubled life transfixed millions. Despite enduring heartbreak, illness, and depression, she never wavered in her commitment to the less fortunate, or in her determination to make a better life for herself and her sons. This revealing book is the closest we will ever come to her autobiography -- a lasting and powerful testament to her courage and spirit.

A Commemorative Edition with new material including "Her Own Words". c1997.

A biography of Diana including family photographs, many color, never before released.

An updated version of the Princess of Wales' biography, with a new chapter covering recent events and 25 additional colour photographs which have never previously been published.

THE SUNDAY TIMES NUMBER-ONE BESTSELLER. A reissue of this classic title brought up to date with never-before-published material from the original taped interviews and a new introduction by Andrew Morton. This edition reflects on the extraordinary circumstances surrounding the original publication, and on the long-term legacy of Diana, the woman who helped reinvigorate the royal family, giving it a more emotional, human face, and thus helping it move forward into the 21st century.

Out now: the new book by Dr Fern Riddell, a powerful and entertaining history of sex. _____ These are the facts: throughout history human beings have had sex. Sexual culture did not begin in the sixties. It has always been celebrated, needed, wanted and desired part of what it means to be human. So: what can learn by looking at the sexual lives of our ancestors? What does it tell us about our attitudes and worries today, and how can the past teach us a better way of looking forward? In this wide-ranging and powerful new history of sex, Dr Fern Riddell will uncover the sexual lives of our ancestors and show that, just like us, they were as preoccupied with sexual identities, masturbation, foreplay, sex, deviance; facing it with the same confusion, joy and accidental hilarity that we do today. Sex: Lessons from History is a revealing and fascinating look at how we've always been obsessed with how sex makes us who we are. _____

When Andrew Morton's world-famous biography, Diana: Her True Story, was first published, it caused a media frenzy, and shook the British Establishment to its foundations. Later revealed as having been written with the Princess's full co-operation, this international bestseller is now widely regarded as her official biography. Yet it was not the full story, as in all the sound and fury of its publication, Diana began a journey - a courageous evolution from life as a downtrodden wife and reluctant royal to a self-confident and independent modern woman. Diana: In Pursuit of Love follows this journey, picking up the story where Andrew's first book left off and uses new sources and material as well as a wealth of previously unpublished matter and 16 pages of stunning photos. The book reveals the stories of figures such as her renowned lover James Hewitt, her butler Paul Burrell and Prince Charles's valet, Michael Fawcett, while intriguing comments that Diana made to Morton in taped conversations become extremely important in view of subsequent events. In Pursuit of Love is an honest, unbiased account of one of the most admired, influential figures of our era and the definitive study of Diana.

Princess Diana - The True Story of the People's Princess On a small island in the grounds of Althorp House, an impressive stately home in rural

Northamptonshire, lies the resting place of a true modern icon. Lady Diana Spencer. One time wife of the heir to the throne and mother to two sons, one of whom will most probably one day be king. Challenger to the established protocols of the monarchy, a woman determined to do it her way. Trend setter, humanitarian, darling of the public. A person who appeared to have everything but whose life would end in tragedy at just thirty-six years of age. The People's Princess...this is her story.

Now in paperback, the sequel to DIANA: HER TRUE STORY, which looks at the life of the Princess of Wales following her official separation from Prince Charles. Includes a new chapter.

A NEW YORK TIMES BESTSELLER. Sunday Times bestselling author Andrew Morton reveals new information and sources that totally transform our perception of Wallis Simpson. Wallis in Love brings a fascinating new perspective on the 20th century's most controversial royal scandal. Andrew Morton's impeccable research and unerring skill for riveting storytelling combine to present a strong case for a new and startling reveal: that the woman who rocked the world with her uncompromising passion for the Prince of Wales may have fooled everyone by keeping the object of her true passion hidden away... From her relatively lowly beginnings in America - where young Wallis and her mother were dependent on her domineering and powerful Uncle Sol, to her rise through the social ranks and her determination to one day beat men at their own game - to the ultimate conquest of the Prince of Wales, Morton paints a vivid and multi-faceted picture of a compelling, ambitious and often hard-hearted woman, who may have won the jewel in the British crown but very possibly at the expense of her true happiness. Wallis in Love reveals the men Wallis truly loved, the men who broke her heart - and the hearts she broke in turn. In this vivid, fresh and frankly amazing portrait of the Duchess of Windsor, Morton draws on interviews, secret letters, diaries and never before seen or heard primary sources. From the day she was born in a ramshackle cottage in the hills to revealing what really happened the night her husband died, Morton paints a fresh and enticing portrait of the Duchess of Windsor.
