From journalist, fashionista, and clothing resale expert Elizabeth L. Cline, “the Michael Pollan of fashion,”\* comes the definitive guide to building an ethical, sustainable wardrobe you'll love. Clothing is one of the most personal expressions of who we are. In her landmark investigation Overdressed: The Shockingly High Cost of Cheap Fashion, Elizabeth L. Cline first revealed fast fashion’s hidden toll on the environment, garment workers, and even our own satisfaction with our clothes. The Conscious Closet shows exactly what we can do about it. Whether your goal is to build an effortless capsule wardrobe, keep up with trends without harming the environment, buy better quality, seek out ethical brands, or all of the above, The Conscious Closet is packed with the vital tools you need. Elizabeth delves into fresh research on fashion’s impacts and shows how we can leverage our everyday fashion choices to change the world through style. Inspired by her own revelatory journey getting off the fast-fashion treadmill, Elizabeth shares exactly how to build a more ethical wardrobe, starting with a mindful closet clean-out and donating, swapping, or selling the clothes you don't love to make way for the closet of your dreams. The Conscious Closet is not just a style guide. It is a call to action to transform one of the most polluting industries on earth—fashion—into a force for good. Readers will learn where our clothes are made and how they’re made, before connecting to a global and impassioned community of stylish fashion revolutionaries. In The Conscious Closet, Elizabeth shows us how we can start to truly love and understand our clothes again—without sacrificing the environment, our morals, or our style in the process. \*Michelle Goldberg, Newsweek/The Daily Beast

Five girls. A paper dress. Tons of shoes. One unforgettable raincoat. White Jeans. Secrets. Drama. Friends? For Justine, Bianca, Becka, Polly, and Anne, living in Westfield, New Jersey is "life on planet toilet paper." At least that's how Justine feels when she shows up as the new girl in school wearing a Scott Paper Caper dress. To her, it's a super-original fashion statement. But other "loser freaks" don't agree. The other girls have their own fashion issues, ranging from fabulous boots to raggedy pajamas to what to wear to therapy. Told in alternating voices, TALES FROM MY CLOSET follows the stories of high school kids who have nothing in common--and everything in common. They're at war with each other, but through their clothes, they reveal and conceal themselves and make peace with what it means to be a teen. Over the course of a school year, their individual struggles and successes come together to tell a story that's funny, honest, and all-girl fabulous.

The biggest case of Eddie's career and nothing's going right. He just wants to spend a quiet night celebrating with his partner, Mike, on their fifteenth anniversary. But Mike has a surprise in mind this year. A surprise that may be more than Eddie imagined possible.

Twelve-year-old underachiever Rob has better things to do than read. His parents give him lots of books but most of them just end up in the messy pile of junk he keeps locked in his closet that once doubled as a makeshift science laboratory. One day, Rob hears weird sounds coming from behind his closet door and discovers a funny little creature that seems to be a cross between two characters from books he's tried to ignore. He names him Wonkenstein. Keeping track of "Wonk" is hard work. But with help from friends and a little off-the-wall magic, Rob and Wonkenstein's crazy adventures set the stage for great laughs . . . and Rob might even read some good books along the way.
