An extensive introduction to Jewish experience and thought combines social and political history and intellectual tradition and is complemented by historical photographs, illustrations of Jewish art, maps, and detailed chronological charts

"A Major Collection of Scholarship that Contains the most up-to-Date, Indeed Cutting-Edge Work on Gender and Jewish History by Several Generations of Top Scholars."---Atina Grossmann, the Cooper Union By Revealing the Importance of gender in interpreting the Jewish past, this collection of original essays highlights the profound influence that feminist scholarship has had on the study of Jewish history since the 1970s. Gender and Jewish History considers the impact of gender on Jewish religious practices and political behavior, educational accomplishments and communal structures, acculturation and choice of occupations. The book stimulates conversations on such topics as Jewish women's creativity and spirituality, violence against women, Jews' reactions to persecution in the Holocaust, and Judaism as lived religion and culture. Honoring Paula E. Hyman, one of the founders of Jewish gender studies, this volume shows gender to be an eye-opening entry into realms of Jewish history previously untouched by it.

In the past decades the " German-Jewish phenomenon " (Derrida) has increasingly attracted the attention of scholars from various fields: Jewish studies, intellectual history, philosophy, literary and cultural studies, critical theory. In all its complex dimensions, the post-enlightenment German-Jewish experience is overwhelmingly regarded as the most quintessential and charged meeting of Jews with the project of modernity. Perhaps for this reason, from the eighteenth century through to our own time it has been the object of intense reflection, of clashing interpretations and appropriations. In both micro and macro case-studies, this volume engages the multiple perspectives as advocated by manifold interested actors, and analyzes their uses, biases and ideological functions over time in different cultural, disciplinary and national contexts. This volume includes both historical treatments of differing German-Jewish understandings of their experience – their relations to their Judaism, general culture and to other Jews – and contemporary reflections and competing interpretations as to how to understand the overall experience of German Jewry.

Populated by urbane Jewish merchants and professionals as well as new arrivals from the shtetl, imperial Kiev was acclaimed for its opportunities for education, culture, employment, and entrepreneurship but cursed for the often pitiless persecution of its Jews. Kiev, Jewish Metropolis limns the history of Kiev Jewry from the official readmission of Jews to the city in 1859 to the outbreak of World War I. It explores the Jewish community's politics, its leadership struggles, socioeconomic and demographic shifts, religious and cultural sensibilities, and relations with the city's Christian population. Drawing on archival documents, the local press, memoirs, and belles lettres, Natan M. Meir shows Kiev's Jews at work, at leisure, in the synagogue, and engaged in the activities of myriad Jewish organizations and philanthropies.

A comprehensive, detailed survey of Jewish politics, religion, economics, and society and of Jewish life and achievement, from the second millennium B.C. through the Diaspora, and in the state of Israel

An introduction to Judaism.

Jonathan D. Sarna's award-winning *American Judaism* is now available in an updated and revised edition that summarizes recent scholarship and takes into account important historical, cultural, and political developments in American Judaism over the past fifteen years. Praise for the first edition: "Sarna . . . has written the first systematic, comprehensive, and coherent history of Judaism in America; one so well executed, it is likely to set the standard for the next fifty years."--Jacob Neusner, *Jerusalem Post* "A masterful overview."--Jeffrey S. Gurock, *American Historical Review* "This book is destined to be the new classic of American Jewish history."--Norman H. Finkelstein, *Jewish Book World* Winner of the 2004 National Jewish Book Award/Jewish Book of the Year
