Intermediate Accounting, 12th Edition, Volume 1, continues to be the number one intermediate accounting resource in the Canadian market. Viewed as the most reliable resource by accounting students, faculty, and professionals, this course helps students understand, prepare, and use financial information by linking education with the real-world accounting environment. This new edition now incorporates new data analytics content and up-to-date coverage of leases and revenue recognition.

Kieso, Weygandt and Warfield ' s Intermediate Accounting continues to set the standard for intermediate accounting students and professionals in the field. The Fifteenth edition builds on this legacy through new innovative student focused pedagogy in the book itself and with online support. Kieso maintains the qualities for which the text is globally recognized, including its reputation for accuracy, comprehensiveness, accessibility, and quality problem material that best prepares students for success on the CPA exam. The Fifteenth edition offers the most up to date coverage of IFRS and US GAAP in a presentational format suited to the complex challenges of teaching intermediate in these changing times. The WileyPLUS homework and learning platform is better than it has ever been for Kieso, with a multitude of new assessment items, multimedia resources, and enhanced functionality to ensure students will do real accounting and get real results. There have also never been so many options for accessing content, from several online only options, premium value print and digital formats, and custom versions designed to fit your needs perfectly. WileyPLUS sold separately from text.

Intermediate Accounting: IFRS Edition provides the tools global accounting students need to understand IFRS and how it is applied in practice. The emphasis on fair value, the proper accounting for financial instruments, and the new developments related to leasing, revenue recognition, and financial statement presentation are examined in light of current practice. Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, and discuss the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting: IFRS Edition includes proven pedagogical tools, designed to help students learn more effectively and to answer the changing needs of this course.

No other text is used in more accounting programs, and by more professionals in the field, than Intermediate Accounting by Kieso, Weygandt, and Warfield. Intermediate Accounting 15th Edition builds student readiness for success in the course, for the CPA exam, and for accounting careers, while maintaining the qualities for which the text is globally recognized, including quality problem-solving material, accuracy, and comprehensiveness. The 2014 FASB Update incorporates the recently issued standard on Revenue from Contracts with Customers in a new Revenue Recognition chapter, and helps prepare the next generation of accounting and finance students for the global economy. Students using WileyPLUS do real accounting, get real results. With automatically graded practice and homework assignments, and over 2 hours of video based resources per chapter, students come to class prepared and ready for quizzes and exams. With access to 1,000 practice CPA exam review questions powered by Wiley CPAexcel, students check their intermediate accounting knowledge against CPA exam standards. With internship listings powered by AccountingFly, students have a two-week head start on applying to accounting internships across the country. WileyPLUS for Intermediate Accounting 15th Edition prepares students for success in the course, and in the profession. WileyPLUS is sold separately from this text.
