Introduction. More than a decade after the concept for the first edition of the International Encyclopedia of Civil Society emerged, civil society remains as contested and strategically located a concept as it was then, and, therefore, a very fruitful and intellectually lively field of research that has prompted examination of a variety of new aspects.

see encyclopedia Civil society advocacy includes influencing decision-makers, media outreach, citizen education, and various forms of civic engagement. It has grown strongly in recent decades, not least because of the increasingly multifaceted nature of politics in today's cosmopolitan world, which makes it difficult for a small number of political parties to adequately represent the diverse concerns of citizens.

~~International Encyclopedia Of Civil Society~~

Civil society can be understood as the "third sector" of society, distinct from government and business, and including the family and the private sphere. By other authors, civil society is used in the sense of 1) the aggregate of non-governmental organizations and institutions that manifest interests and will of citizens or 2) individuals and organizations in a society which are independent of ...
