revenue recognition, and financial statement presentation are examined in light of current practice. Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, and discuss the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, *Intermediate Accounting: IFRS Edition* includes proven pedagogical tools, designed to help students learn more effectively and to answer the changing needs of this course.

This text is an unbound, binder-ready edition. Kieso, Weygandt, and Warfield's *Intermediate Accounting, Sixteenth Edition* continues to set the standard for students and professionals in the field. The 16th edition builds on this legacy through new, innovative student-focused learning. Kieso maintains the qualities for which the text is globally recognized, including its reputation for accuracy, comprehensiveness, accessibility, and quality problem material that best prepares students for success on the CPA exam and accounting careers. The 16th edition offers the most up-to-date coverage of US GAAP & IFRS in a format suited to the complex challenges of teaching intermediate accounting in these changing times. WileyPLUS sold separately from text.

Intermediate Accounting by Kieso, Weygandt, and Warfield is, quite simply, the standard

by which all other intermediate texts are measured. Throughout the thirty years, and ten best-selling editions, the text has built a reputation for accuracy, comprehensiveness, and student success. This Updated Edition features and incorporates the 2005 FASB key accounting standards that have been updated since the original publication of "Intermediate Accounting, 11th Edition." The Updated Eleventh Edition maintains the qualities for which the text is globally recognized, and continues to be your students' gateway to the profession! Included in the package is the "Problem-Solving Survival Guide."

The Student Practice and Solutions Manual to accompany Kieso Intermediate Accounting 17e contains a chapter review, and a selection of brief exercises, exercises, and problems with accompanying solutions from Kieso's Problem Set B which is similar to end of chapter material.

Intermediate Accounting, 12th Edition, Volume 1, continues to be the number one intermediate accounting resource in the Canadian market. Viewed as the most reliable resource by accounting students, faculty, and professionals, this course helps students understand, prepare, and use financial information by linking education with the

real-world accounting environment. This new edition now incorporates new data analytics content and up-to-date coverage of leases and revenue recognition.

US public companies will have to follow International Financial Reporting Standards as of January 1, 2011. Weygandt's Financial Accounting: IFRS introduces challenging accounting concepts with examples that are familiar to the student while incorporating the new global accounting standards.

Following the reputation for accuracy, comprehensiveness, and currency, Weygandt guides students through financial accounting and the period of transition for IFRS readiness. The text prepares student for the requirements they will follow in the coming years.

In the new sixth edition, readers will be able to clearly see the relevance of accounting in their everyday lives. The authors introduce challenging accounting concepts with examples that are familiar to everyone, which helps build motivation to learn the material. Accounting issues are also placed within the context of marketing, management, IT, and finance.

Reflecting the demands for entry-level accountants, the focus of this book is on fostering critical thinking skills, reducing emphasis on memorisation and encouraging more
