From New York Times bestselling author Cassia Leo comes a sinfully sexy and suspenseful new series. Rebecca hasn't seen or heard from her mob boss father in four years, but she's about to receive a message from him that will throw her life into chaos. Rebecca thought she left the crime family, and the painful memories, behind when she went into law enforcement. She never expected to be abducted by a sexy stranger. But when this stranger makes Rebecca an offer too tempting to refuse, she finds herself dragged into one of the most ruthless vendettas of the century. Knox Savage is the searingly sexy CEO of Knox Security and a notorious playboy. What most don't know about Knox is that he loves helping high-profile criminals escape justice. He makes no judgments about guilt or innocence. And he doesn't do it for sentimental reasons. But he's about to take on a case that's going to get very personal.

Soncerae is a Muir Witch whose destiny is to save these Highland warriors who refuse to leave Culloden's hallowed, forever-bloody ground. She can win back their lives, but only for a time. And in that time, she hopes to prove that a heart's true desire can mean so much more than revenge.

A bond stronger than blood. A connection that could end it all. Madigan Knox and Grace Sheppard became sisters the day they entered their foster home. After living through a childhood nightmare, one brave act set them free, but split them apart into different homes. As adults, they are reunited in the small coastal town they dreamed of living in as children, but the reality of life in Tall Pines is far from what they had imagined. When a woman is found dead in her home, Madigan reports on the crime while Grace investigates. A dark connection to the victim is discovered, pulling them both closer to the crime and the traumatic past they are desperate to move on from. With old wounds ripped open and dark secrets threatening their bond, the sisters must rely on each other more than ever before to survive. Fans of Rizzoli and Isles, Lisa Regan, Karen Rose, Meghan O'Flynn, and Mary Burton will love the first story in this unpredictable, five-book mystery series by Emerald O'Brien that readers are calling "...a beautiful, harrowing tale." "...with more twists than a red vine!"

Callum A gay guy walks into a straight bar and notices the hottest man he's ever seen... Why am I not surprised my life sounds like the beginning of a bad joke? First, my ex cheated on me, and I went running to Havenwood and the mom I have a complicated relationship with. Then, there's Knox, the gorgeous lumberjack I don't stand a chance with. To top it off, he's more than just a pretty face, and I start to fall for him. Knox is kind, funny, honorable, quickly becoming my best friend, and unfortunately, straight with a capital S. Knox My life has taken a few unexpected turns lately. First, the new guy in town, Callum, has me strangely confused. Then my son, Logan, comes to live with me. He connects with Callum instantly, and I do too. Before we know it, he's become a daily fixture in our lives, making us laugh, calling me his lumberjack and making this foreign warmth spread inside me. It doesn't matter that I've never been with a guy before—one kiss from Cal, and it's clear I'm bi. He turns me upside down. With every laugh, every conversation, every touch and exploration, I fall harder. Sneaking around isn't ideal, but there's a lot for us to consider. All I know is I need him. Life has a funny way of throwing a wrench into your plans, though, and things become a mess. But then I'm reminded that while nothing in life is guaranteed, not even love, what Callum and I have built is worth fighting for.

A bewitching epic fantasy about a revenge killing, a mysterious scroll box that has survived centuries of

fires, and the book that changed everything "Intricately plotted and gorgeously written, *The Absolute Book* is a cinematic tale that is by turns dark and dreamlike, yet ultimately hopeful." --Deborah Harkness, *New York Times* bestselling author of *A Discovery of Witches* "An instant classic . . . It is everything fantasy should be." --*The Guardian* Taryn Cornick believes that the past--her sister's violent death, and her own ill-conceived revenge--is behind her, and she can get on with her life. She has written a successful book about the things that threaten libraries: insects, damp, light, fire, carelessness and uncaring . . . but not all of the attention it brings her is good. A policeman, Jacob Berger, questions her about a cold case. Then there are questions about a fire in the library at her grandparents' house and an ancient scroll box known as the Firestarter, as well as threatening phone calls and a mysterious illness. Finally a shadowy young man named Shift appears, forcing Taryn and Jacob toward a reckoning felt in more than one world. *The Absolute Book* is epic, action-packed fantasy in which hidden treasures are recovered, wicked things resurface, birds can talk, and dead sisters are a living force. It is a book of journeys and returns, from contemporary England to Auckland, New Zealand; from a magical fairyland to Purgatory. Above all, it is a declaration of love for stories and the ways in which they shape our worlds and create gods out of mortals.

Can she outrun her past into the arms of a Montana rancher? Montana rancher, Knox Marshall's, danger years are behind him. A former bull-rider, he now runs the Marshall family ranch, raising champion bucking bulls for the National Professional Bullrider's Expo (NBR-X). But although he's successful and wealthy, at 30, he can't help but wonder if his best years are behind him. His life is stable, expected and...boring. Kelsey Jones just wants a safe life, a family, a home. Well, at least when she's off stage. Onstage, she's the beautiful rising star of the country trio, the Yankee Belles. Onstage, she becomes the person she longs to be, vivacious and confident, not the mess she knows she is inside, the result of a violent attack years earlier. But certainly, the more success she has, the more she outruns her past, success that includes becoming NBR-X's next country act. Knox and Kelsey's paths collide when an explosion at an NBR-X event traps them in the rubble. Now victims of a random trauma, they have to figure out how to put their lives back together. For Kelsey, it awakens her nightmares, and for Knox, it ignites in him an obsession to find the bomber. Problem is...someone is after Kelsey, and when her past follows her into Knox's life, threatening his family and legacy, he'll have to choose between saving the people he loves, or becoming the protector he's always longed to be. The exciting ignition of the Montana Marshall series.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LIBRARY JOURNAL RITA finalist and *New York Times* bestselling author Ruthie Knox kicks off a steamy series set in the city that never sleeps--alone, at least. May Fredericks hates New York. Which is fair enough, since New York seems to hate her back. After relocating to Manhattan from the Midwest to be with her long-distance boyfriend, NFL quarterback Thor Einarsson, May receives the world's worst marriage proposal, stabs the jerk with a shrimp fork, and storms off alone--only to get mugged. Now she's got no phone, no cash, and no friends. How's a nice girl supposed to get back to safe, sensible Wisconsin? Frankly, Ben Hausman couldn't care less. Sure, it's not every day he meets a genuine, down-to-earth woman like May--especially in a dive in the Village--but he's recovering from an ugly divorce that cost him his restaurant. He wants to be left alone to start over and become a better man. Then again, playing the white knight to May's sexy damsel in distress would be an excellent place to start--if only he can give her one very good reason to love New York. Praise for *Truly* --Knox writes such sultry, detailed romance. The sexual tension and the sex itself are very hot. . . . Highly recommend this story. --Smexy Books --*Truly* is another Knox classic. Well written, heartwarming, sweet, super sexy with a dash of heartbreak and soul-searching, I devoured this fabulous story. . . . An absolutely fabulous read about two imperfect people . . . I can't wait to see what Ruthie Knox will come up with next. --*The Brunette Librarian* --Knox

is rapidly becoming my go-to author for excellent contemporary romance, providing all of the necessary components to a great read: accessible characters, solid plot, well-paced events and a whole lotta steam. And she delivers it all here. . . . Knox is amazingly talented at incorporating emotion with the physical that fairly sizzles with heat. I strongly encourage readers to immediately read this wonderful book.[]Pretty Sassy Cool []Knox is an incredible writer. She has the gift of making ordinary people larger than life. She adds a special blend of humor, creative dialogue, unique characters, and an interesting plot with its own magical flare. . . . These two vastly different people will discover the magic of life, love, and happiness in a new way. . . . They will console each other about their past failures, cheer each other on, and find their chemistry is much more than sexual. . . . I highly recommend this book.[]Smut Book Junkie Book Reviews []Well written and my favorite Ruthie Knox book to date, Truly is a powerful story and an amazing journey of self-discovery with a sexy love story thrown in for good measure![]Guilty Pleasures Book Reviews []Truly is one of those stories that just got under my skin and into my heart. . . . It's not just a romance, it's a story of two people finding a new path at those crossroads in life we all have to face from time to time. And while the romance between Ben and May is hot and intimate, it is their individual discovery of the path into their future that really hit home with me. This was the story that made me a Ruthie Knox fan for life. If you haven't read it, I wholeheartedly recommend it. The writing is top notch and the story is interesting, fast paced and has very unique characters.[]Red Hot + Blue Reads
