NEW YORK TIMES BESTSELLER • “The suspense novel for all others to beat . . . [a] must read.”—The Denver Post WINNER OF THE EDGAR AWARD FOR BEST FIRST NOVEL It is the spring of 1945, and in a dusty, remote community, the world’s most brilliant minds have come together in secret. Their mission: to split an atom and end a war. But among those who have come to Robert Oppenheimer’s “enchanted campus” of foreign-born scientists, baffled guards, and restless wives is a simple man in search of a killer. Michael Connolly has been sent to the middle of nowhere to investigate the murder of a security officer on the Manhattan Project. But amid the glimmering cocktail parties and the staggering genius, Connolly will find more than he bargained for. Sleeping in a dead man’s bed and making love to another man’s wife, Connolly has entered the moral no-man’s-land of Los Alamos. For in this place of brilliance and discovery, hope and horror, Connolly is plunged into a shadowy war with a killer—as the world is about to be changed forever. Praise for Los Alamos “A magnificent work of fiction . . . a love story inside a murder mystery inside perhaps the most significant story of the twentieth century: the making of the atomic bomb.”—The Boston Globe “Compelling . . . [Joseph Kanon] pulls the reader into a historical drama of excitement and high moral seriousness.” —The New York Times “Thrilling . . . Kanon writes with the sure hand of a veteran and does a marvelous job.”—The Washington Post Book World

'Brilliantly captures the burgeoning Cold War paranoia' Observer Elegantly written and deftly constructed, Los Alamos is the stunning debut novel of the author of Leaving Berlin and The Good German. Spring 1945. As work on the first atomic bomb nears completion in New Mexico, Karl Bruner, a Manhattan Project security officer, is found murdered. Michael Connolly, the intelligence officer brought in to crack Bruner's case, soon discovers that investigating a murder in Los Alamos - a town so secret it does not officially exist - is anything but easy. Only once he falls in love and begins an affair with Emma, the enigmatic wife of one of the scientists, does he truly begin to unravel the dark heart of the Project. Interweaving fact and fiction, Los Alamos is at once a powerful novel of historical intrigue and a vivid portrait of the most mysterious figures involved in the Manhattan Project: Robert Oppenheimer. 'Accomplished and beautifully written' Sunday Telegraph 'Enthralling . . . a dream of a novel' Time Out

In 1945 Istanbul, American undercover agent Leon Bauer's attempt to save a life leads to a desperate manhunt, a game of shifting loyalties, and an unexpected love affair.

Read Online Los Alamos Joseph Kanon

The bestselling author of *Leaving Berlin* and *Istanbul Passage* “continues to demonstrate that he is up there with the very best...of spy thriller writers” (The Times, UK) with this “fascinating” (The Washington Post) novel about two brothers bound by blood but divided by loyalty. In 1949, Frank Weeks, agent of the newly formed CIA, was exposed as a Communist spy and fled the country to vanish behind the Iron Curtain. Now, twelve years later, he has written his memoirs, a KGB-approved project almost certain to be an international bestseller, and has asked his brother Simon, a publisher, to come to Moscow to edit the manuscript. It’s a reunion Simon both dreads and longs for. The book is sure to be filled with mischief and misinformation; Frank’s motives suspect, the CIA hostile. But the chance to see Frank, his adored older brother, proves irresistible. And at first Frank is still Frank—the same charm, the same jokes, the same bond of affection that transcends ideology. Then Simon begins to glimpse another Frank, capable of treachery and actively working for “the service.” He finds himself dragged into the middle of Frank’s new scheme, caught between the KGB and the CIA in a fatal cat and mouse game that only one of the brothers is likely to survive. “A finely paced Cold War thriller with [Kanon’s] usual flair for atmospheric detail, intriguing characters, and suspenseful action” (Library Journal), *Defectors* takes us to the heart of a world of secrets, where even the people we know best can’t be trusted and murder is just collateral damage.

In a time of accusations, treachery and lies, some secrets were heartbreaking.... Others were deadly. Once, Nick Kotlar tried to save his father. From the angry questions. From the accusations. From a piece of evidence that only Nick knew about and that he destroyed—for his father. But in the Red Scare of 1950 Walter Kotlar could not be saved. Branded a spy, he fled the country, leaving behind a wife, a young son—and a key witness lying dead below her D.C. hotel room. Now, twenty years later, Nick will get a second chance. Because a beautiful journalist has brought a message from his long-lost father, and Nick will follow her into Soviet-occupied Prague for a painful reunion. Confronting a father he barely remembers and a secret that could change everything, Nick knows he must return to the place where it all began: to unravel a lie, to penetrate a deadly conspiracy, and to expose the one person who knew the truth—and watched a family be destroyed.

From the bestselling author of *Los Alamos* and *The Good German* comes a riveting tale of love, revenge and murder set in postwar Venice. It is 1946, and a stunned Europe is beginning its slow recovery from the ravages of World War II. Adam Miller has come to Venice to visit his widowed mother and try to forget the horrors he has witnessed as a U.S. Army war crimes investigator in Germany. Nothing has changed in Venice—not the beautiful palazzi, not the violins at Florian’s, not the shifting water that makes the city, untouched by bombs, still seem

Read Online Los Alamos Joseph Kanon

a dream. But when Adam falls in love with Claudia, a Jewish woman scarred by her devastating experiences during the war, he is forced to confront another Venice, a city still at war with itself, haunted by atrocities it would rather forget. Everyone, he discovers, has been compromised by the Occupation—the international set drinking at Harry's, the police who kept order for the Germans, and most of all Gianni Maglione, the suave and enigmatic Venetian who happens to be his mother's new suitor. And when, finally, the troubled past erupts in violent murder, Adam finds himself at the center of a web of deception, intrigue, and unexpected moral dilemmas. When is murder acceptable? What are the limits of guilt? How much is someone willing to pay for a perfect alibi? Using the piazzas and canals of Venice as an enthralling but sinister backdrop, Joseph Kanon has again written a gripping historical thriller. *Alibi* is at once a murder mystery, a love story, and a superbly crafted novel about the nature of moral responsibility.

Named "The Book of the Year" by Lee Child in *The Guardian* From "master of the genre" (*The Washington Post*) and author of *Leaving Berlin*, a heart-pounding and intelligent espionage novel about a Nazi war criminal who was supposed to be dead, the rogue CIA agent on his trail, and the beautiful woman connected to them both. Seventeen years after the fall of the Third Reich, Max Weill has never forgotten the atrocities he saw as a prisoner at Auschwitz—nor the face of Dr. Otto Schramm. He was the camp doctor who worked with Mengele on appalling experiments and who sent Max's family to the gas chambers. As the war came to a close, Schramm was one of the many high-ranking former-Nazi officers who managed to escape Germany for new lives in South America, where leaders like Argentina's Juan Perón gave them safe harbor and new identities. With his life nearing its end, Max asks his nephew Aaron Wiley—an American CIA desk analyst—to complete the task Max never could: to track down Otto in Argentina, capture him, and bring him back to Germany to stand trial. Unable to deny his uncle, Aaron travels to Buenos Aires and discovers a city where Nazis thrive in plain sight, mingling with Argentine high society. He ingratiates himself with Otto's alluring but damaged daughter, whom he's convinced is hiding her father. Enlisting the help of a German newspaper reporter, an Israeli agent, and the obliging CIA station chief in Buenos Aires, he hunts for Otto—a complicated monster, unexpectedly human but still capable of murder if cornered. Unable to distinguish allies from enemies, Aaron will ultimately have to discover just how far he is prepared to go to render justice. "With his remarkable emotional precision and mastery of tone" (*Kirkus Reviews*, starred review), Joseph Kanon crafts another "gripping and authentic" (*The New York Times Book Review*) thriller that you won't be able to put down.

New York Times Notable Book * NPR Best Books 2015 * Wall Street Journal Best Books of 2015 The acclaimed author of *The Good German* "deftly captures the ambience" (*The New York Times Book Review*) of postwar East Berlin in his "thought-provoking, pulse-pounding" (*Wall*

Read Online Los Alamos Joseph Kanon

Street Journal) New York Times bestseller—a sweeping spy thriller about a city caught between political idealism and the harsh realities of Soviet occupation. Berlin, 1948. Almost four years after the war's end, the city is still in ruins, a physical wasteland and a political symbol about to rupture. In the West, a defiant, blockaded city is barely surviving on airlifted supplies; in the East, the heady early days of political reconstruction are being undermined by the murky compromises of the Cold War. Espionage, like the black market, is a fact of life. Even culture has become a battleground, with German intellectuals being lured back from exile to add credibility to the competing sectors. Alex Meier, a young Jewish writer, fled the Nazis for America before the war. But the politics of his youth have now put him in the crosshairs of the McCarthy witch-hunts. Faced with deportation and the loss of his family, he makes a desperate bargain with the fledgling CIA: he will earn his way back to America by acting as their agent in his native Berlin. But almost from the start things go fatally wrong. A kidnapping misfires, an East German agent is killed, and Alex finds himself a wanted man. Worse, he discovers his real assignment—to spy on the woman he left behind, the only woman he has ever loved. Changing sides in Berlin is as easy as crossing a sector border. But where do we draw the lines of our moral boundaries? At betrayal? Survival? Murder? Joseph Kanon's compelling thriller is a love story that brilliantly brings a shadowy period of history vividly to life.

A mesmerising tale of old Hollywood glamour and post-war espionage from the bestselling author of *The Good German* and *Leaving Berlin*. Hollywood, 1945. Ben Collier returns from war to the news that his filmmaker brother Daniel has died in mysterious circumstances -- the papers say it was an accident, but others suspect suicide. Daniel was a heroic figure who helped many prominent German intellectuals escape Europe before the war and then settled in Los Angeles with his beautiful wife, Liesl. Why would a man with such a bright future take his own life? Could he have been murdered? Ben is determined to uncover the truth and uses his friendship with Continental Studios boss Sol Lasner to penetrate the maze of studio politics and Hollywood secrets. Beneath the surface shine of the movie business lies a darker world where even the biggest stars and star-makers are vulnerable to old secrets being exposed and old loyalties tested...

Set in Berlin just after the end of World War II, a brilliant thriller about the end of one war and the beginning of another, by the bestselling author of *Los Alamos*. Berlin, 1945. Jake Geismar, former Berlin correspondent for CBS, has managed to wangle one of the coveted press slots for the Potsdam Conference. His assignment: a series of articles on the American occupation of postwar Berlin. His personal agenda: to find Lena, the German mistress he left behind at the outbreak of the war. When he stumbles on a murder--an American soldier washed up on the shore of the conference grounds--he thinks he has found the key that will unlock his Berlin story. What he finds instead

Read Online Los Alamos Joseph Kanon

is a larger story of corruption and intrigue reaching deep into the heart of the occupation and a city not only physically but morally devastated, where children scavenge for food in the rubble, sex can be had for a cigarette, and the black market is the only means of survival. Berlin at zero hour is like nowhere else--a tragedy, and a feverish party after the end of the world. And nothing is simple--not the murder of a soldier and not any of the lives, American and German, that Jake encounters as he tries to solve it. More unsolvable still is the larger crime that hangs over everything in 1945, a crime so huge it seems beyond punishment. At once a murder mystery, a love story, and a riveting portrait of a unique time and place, Jason Kanon's *The Good German* is a historical thriller of the first rank.
