Specs for all Mercedes Benz E Class (W210) versions

The Mercedes W210 E Class was mass produced from 1995 to 2003 and has approximately 35 different models (depending which country you live in). The engine sizes vary from the smallest being the 1998cc to the mighty AMG M113.980 5439cc 354 bhp lump. Personally I own a 320CDi and E55 AMG W210, so the majority of common problem I have already faced.

## Mercedes-Benz E-Class Complete Engines for sale | eBay

“One man, one engine” - this motto is followed for already a few decades by the Mercedes-AMG subdivision which produces a range of sports cars. This means that a particular specialist who personally checks the assembly quality of an engine and approves it with his signature in the corresponding documentation is responsible for each engine created at the company’s factory.
