Paul M. Bessel gets to the heart of understanding Freemasonry with this light, easy to read and understand question and answer book. Designed to take the reader and Masonic student through the three craft degrees in a step by step, section by section manner. This work can help new Masons, and those interested in Freemasonry, learn the basic facts about our Craft. Cover design by Michael R. Poll

Historically, grief and spirituality have been jealously guarded as uniquely human experiences. Although non-human animal grief has been acknowledged in recent times, its potency has not been recognised as equal to human grief. Anthropocentric philosophical questions still underpin both academic and popular discussions. In *Enter the Animal*, Teya Brooks Pribac examines what we do and don't know about

grief and spirituality. She explores the growing body of knowledge about attachment and loss and how they shape the lives of both human and non-human animals. A valuable addition to the vibrant interdisciplinary conversation about animal subjectivity, Enter the Animal identifies conceptual and methodological approaches that have contributed to the prejudice against nonhuman animals. It offers a compelling theoretical base for the consideration of grief and spirituality across species and highlights important ethical implications for how humans treat other animals.

This series explores the fascinating world of nature and its creatures, with beautiful photography and informative text written by experts.
