But it comes at a price... Neil Narayan ’ s parents moved to America for a better life, and his perfect older sister is now headed to an elite university. Neil is funny and smart, but he is not living up to his parents ’ dream. While he tries to want their version of success, mostly, Neil just wants his neighbour across the street, Anita Dayal. Once a lot like Neil, Anita is truly thriving, academically, athletically and socially. Anita has a secret: she and her mother Anjali have been brewing an ancient alchemical potion from stolen gold that harnesses the ambition of the jewellery's original owner. Anita just needs a little boost to get into Harvard. When Neil – who needs a whole lot more – stumbles onto their secret and joins in the plot, events spiral into a tragedy that rips their community apart. It's 2008 and the height of Zimbabwe's economic demise. A group of passengers is huddled in a Toyota Quantum about to embark on a treacherous expedition to the City of Gold. Amongst them is Gugulethu, who is hoping to be reconciled with her mother; Dumisani, an ambitious young man who believes he will strike it rich, Chamunorwa and Chenai, twins running from their troubled past; and Portia and Nkosi, a mother and son desperate to be reunited with a husband and father they see once a year. They have paid a high price for the dangerous passage to what they believe is a better life; an escape from the vicious vagaries of their present life in Bulawayo. In their minds, the streets of Johannesburg are paved with gold but they will have to dig deep to get close to any gold, dirtying themselves in the process. Told with brave honesty and bold description, the stories of the individual immigrants are simultaneously heart-breaking and heart-warming. -- Publisher's description.

Anna Nicole Smith and her octogenarian tycoon husband. The term entered American vernacular in the 1910s as women began to assert greater power over courtship, marriage, and finances, threatening men's control of legal and economic structures. Over the course of the century, the gold digger stereotype reappeared as women pressed for further control over love, sex, and money while laws failed to keep pace with such realignments. The gold digger can be seen in silent films, vaudeville jokes, hip hop lyrics, and reality television. Whether feared, admired, or desired, the figure of the gold digger appears almost everywhere gender, sexuality, class, and race collide. This fascinating interdisciplinary work reveals the assumptions and disputes around women's sexual agency in American life, shedding new light on the cultural and legal forces underpinning romantic, sexual, and marital relationships.

thirty thousand people. The stampede to the Klondike was the last great gold rush in history. Scurvy, dysentery, frostbite, and starvation stalked all who dared to be in Dawson. And yet the possibilities attracted people from all walks of life—not only prospectors but also newspapermen, bankers, prostitutes, priests, and lawmen. *Gold Diggers* follows six stamperders—Bill Haskell, a farm boy who hungered for striking gold; Father Judge, a Jesuit priest who aimed to save souls and lives; Belinda Mulrooney, a twenty – four – year – old who became the richest businesswoman in town; Flora Shaw, a journalist who transformed the town's governance; Sam Steele, the officer who finally established order in the lawless town; and most famously Jack London, who left without gold, but with the stories that would make him a legend. Drawing on letters, memoirs, newspaper articles, and stories, Charlotte Gray delivers an enthralling tale of the gold madness that swept through a continent and changed a landscape and its people forever.

Why would the author title a book about seeking God something like Gold Diggers? Nowadays, when we think about a gold digger, we usually think of someone who 's out to take advantage of another person or situation. Well, Paula Trow wants us to think about a miner, a person who digs deep in the earth to find treasure. We are going to learn to dig deep into God 's Word and His person, to find the ultimate treasure of relationship with Him. Maybe the best thing about digging for gold in God 's Word is that not only do we come to know Him better, but we come to know ourselves better too. We come to see ourselves as He sees us. We find the unique treasures He placed in us when He created us. With that knowledge comes excitement and deeper relationship with our great Creator. And with that excitement comes a desire to reach out and dig for gold in other people—to help them come to the same saving knowledge of Jesus Christ that we have found, so that they can find gold
