Wuthering Heights was Emily Brontë's only novel, and it is considered the fullest expression of her highly individual poetic vision. It contains many Romantic influences: Heathcliff is a very Byronic character, though he lacks the self pity that mars many Byronic characters, and he is deeply attached to the natural world. When the novel was written, the peak of the Romantic age had passed ...

The boundless, tragic love affair between Cathy and Heathcliff is the most important relationship in Wuthering Heights, and there are lessons to be learned from their errors: Cathy is torn apart when she denies her own feelings, and there is no joy in Heathcliff's revenge at any stage. Cathy's daughter, Catherine, however, has a beautiful relationship with her loving father, Edgar, and she learns to look below the surface to find happiness and love.
