XLH883, XL883R, XLH1100, XL/XLH1200

Suspension is probably the most misunderstood aspect of motorcycle performance. This book, by America ' s premier suspension specialist, makes the art and science of suspension tuning accessible to professional and backyard motorcycle mechanics alike. Based on Paul Thede ' s wildly popular Race Tech Suspension Seminars, this step-by-step guide shows anyone how to make their bike, or their kid ' s, handle like a pro ' s. Thede gives a clear account of the three forces of suspension that you must understand to make accurate assessments of your suspension ' s condition. He outlines testing procedures that will help you gauge how well you ' re improving your suspension, along with your riding. And, if you ' re inclined to perfect your bike ' s handling, he even explains the black art of chassis geometry. Finally, step-by-step photos of suspension disassembly and assembly help you rebuild your forks and shocks for optimum performance. The book even provides detailed troubleshooting guides for dirt, street, and supermoto--promising a solution to virtually any handling problem.

Classic workwear, sports and military clothing Curated by connoisseurs of vintage clothing, the Vintage Showroom is a vast collection of rare 20th-century pieces that fashion designers and stylists pay to view, using the cut and detailing of individual garments as inspiration for their own work. Offering one-of-a-kind access, Vintage Menswear now makes this unique resource available in book form. Featuring 130 of the most influential examples of 20th-century and earlier European, American and Asian utilitarian tailoring and design, the book is divided into three sections of sportswear, militia and workwear, covering everything from 1940s flying jackets and polar exploration suits to vintage French denims. Stunning full-page bleeds and front and back views showcase ground-breaking designs in concept, shape and cut. Providing over 300 lavishly illustrated pages of rare, must-see designs, Vintage Menswear is the essential choice of 20th-century vintage tailoring and detailing and an inspirational resource for students and menswear fashion designers and stylists.

Haynes has discovered all the problems that motorcycle owners could possibly encounter when rebuilding or repairing their bikes. Documenting the most common DIY fixes with hundreds of illustrations and step-by-step instructions, this compendium of repair, modification and troubleshooting advice is applicable to all domestic and import marques.
